

2017 Hotel List

This is a list of suggested hotels, with whom we've been able to set a special price for WAO competitors, grooms, and managers. We expect to be adding two more hotels to the list very soon.

The Golden Tulip, which many teams used in 2014, is sold out at this time but we are working on an agreement with them for future years.

Please make any reservations under the name of "World Agility Open 2017".
