

2018 World Agility Open Selection Australian Team

Thank you for your interest in the 2018 WAO Team Australia. Successful applicants will be representing Australia in Ermelo, Netherlands.

The following is the selection process for consideration to be a member of the team to represent Australia at the 2018 WAO.

If you have any questions, please contact waoaustralia@internode.on.net . For more information regarding the WAO 2018 please go to <http://www.worldagilityopen.com/index.html>

Where

KNHS National Equestrian Centre in Ermelo, Netherlands

When

18th to 20th May 2018

P

About the Team

The Australian team will consist of 4 – 12 handlers competing with borrowed dogs (subject to availability of dogs). There will be a maximum of three dogs in each of the four jump heights.

Jumping Heights

JUMP HEIGHT	HANDLERS (max)
300	3
400	3
525	3
600	3

Team Requirements

To apply for a place on the 2018 WAO Team Australia, you must meet the following requirements

- Applicants must have resided in Australia for at least one year prior to the event (must be Australian residents) and have a current passport (with at least 6 months before expiry)
- Overseas applicants must comply with WAO Rule 1.7.2
 - At the time of team selection, handlers must be a citizen of the country they represent, or have a birth certificate from that country, or have permanent resident status.

2018 World Agility Open Selection Australian Team

- Note that a permanent resident who competes as a representative for their country of residency will be ineligible to compete for their country of citizenship for a period of 3 (three) years following the WAO competition in which they participated, and vice versa. If, however, there has been a significant change in residency and it is no longer feasible for the individual to compete in agility events on a regular basis for the country he or she formerly represented at the WAO (e.g., it's too far to travel), the handler may apply to the WAO Organising Committee for an exception to this rule. The WAO will have the final decision in determining the residential status of the handler with regard to entry.
- Overseas applicants are not eligible to participate in the Win on Selection process, however will be considered for the 2nd or 3rd positions from their application information.
- Team members must be available to travel to Europe at least one week prior to the WAO competition dates to allow time to train with their substitute dog(s);
- Team members will actively participate in fundraising efforts and will either raise the minimum goal or supplement the amount from their own funds;
- Team members, including overseas team members (If selected) will have the option to self fund and be responsible for all associated team and individual expenses.
- Team members must be 18 or over or be accompanied by a parent at the parent's expense;
- In addition all handlers will be expected to sign and comply with the WAO team contract including the code of conduct for Team and comply with all WAO rules, procedures and conduct.
- Dogs sourced from the United Kingdom or other European countries must be eligible to travel under the rules of the Pet Travel Scheme. Further information can be found on the DEFRA web site (<http://www.defra.gov.uk/wildlife-pets/pets/travel/pets/>)

NB: It is mandatory for all team members to arrive at the nominated accommodation (TBA) in the Netherlands by Tuesday, 15th May 2018 in time for an early evening team meeting.

Team Selection Process

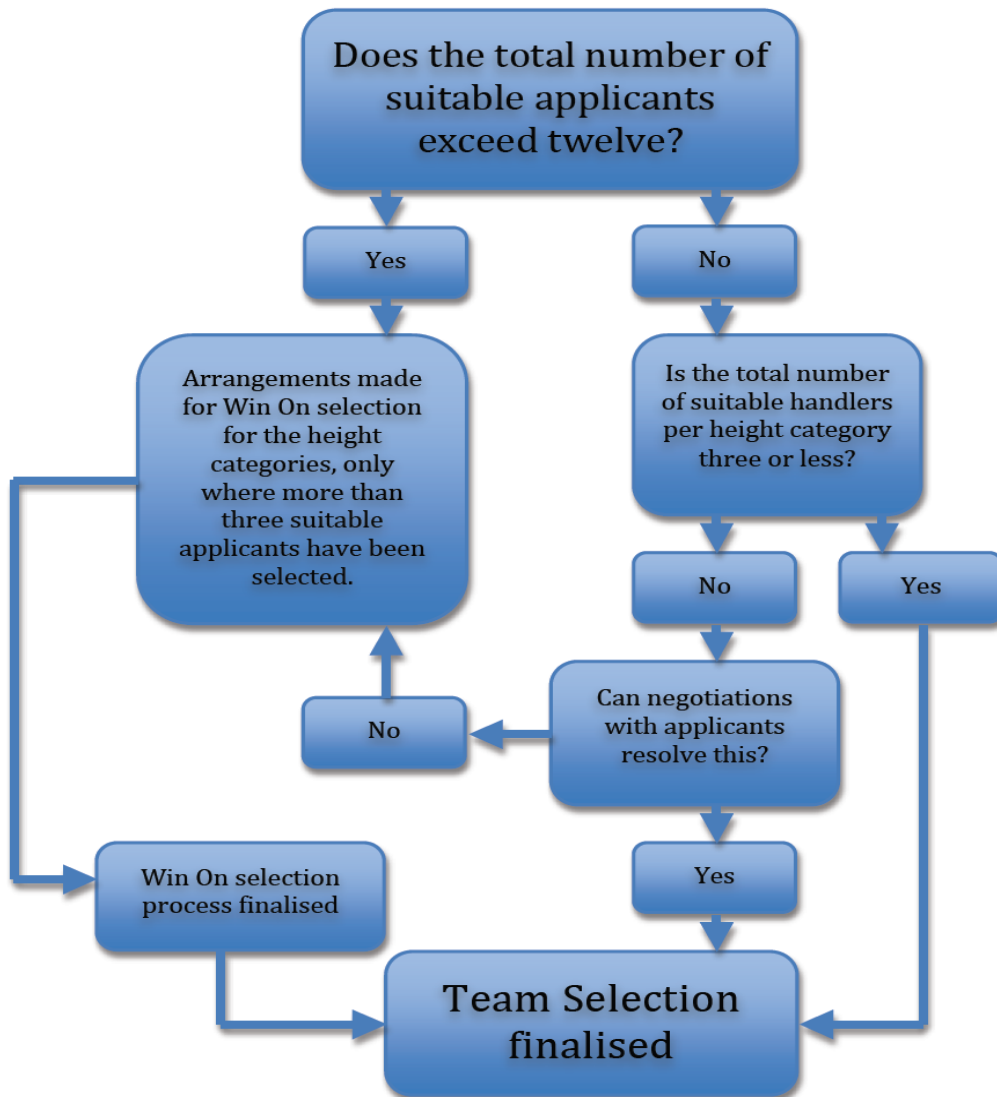

Up to three positions per height division will be available to the team depending on dogs put forward by other countries for handlers to compete with.

2018 World Agility Open Selection Australian Team

With a view to filling a whole team of twelve, the selection for the team will initially be based on written Applications (see Application process below).

If the total number of suitable applicants falls short of filling a whole team then the selection process is finalised and the team notified. If the total number of suitable Applicants exceeds twelve, or exceeds the maximum number of handlers for a specific height category the following flowchart depicts the process for selection onto the Australian Team WAO 2018.

2018 World Agility Open Selection Australian Team

Application Process

The Australia Team Selection Committee (to be announced if required) will be responsible for assessing each individual Application. Criteria for selecting the positions will include video footage of handling abilities, results of major trial events over the last two years, demonstration of skill when handling someone else's dog, other major achievements in agility and any other relevant information included with the application. An individual can only apply for ONE position in a height category.

All handlers applying for a position are required to submit two videos of them competing. These videos should be a minimum standard of Masters (ANKC), Advanced (ADAA) or any International event (previous WAO or WAC events), showcasing one jumping class and one agility class within the last two years. Videos are to be loaded onto the Internet with links to view the clips included in their application. It is recommended that video's selected best demonstrate your handling abilities. Please note that selection will be based on handling abilities not handling systems or methods used.

Your application should include results from the following ANKC and/or ADAA events – Grand Prix / National Agility Trial or State Agility Trial / Royal Show or International Event.

All Applications are to be emailed to waoaustralia@internode.on.net before 4.00pm on 31st August 2017. Late applications may be considered should any positions on the team not be filled up to 31st October 2017.

Win on Process (If required)

Should the Win On process be required due to the number of applications received, applicants will be notified by the 15th September 2017 of the requirement for them to participate in this process.

Try Outs will be held at a suitable location relative to each applicant i.e. An applicant from Perth would be required to attend a venue in Perth to complete a standard jumping and agility course. Alternatively an applicant from Melbourne would be required to attend a venue in Melbourne to complete the courses. The applicant would be responsible to organise the venue and equipment for this process.

The selection committee will make arrangements for a judge or nominated person, local to the venue, to oversee the putting down of the course. A single agility and a single jumping course of international design will be sent electronically to this nominated person. All applicants will get one attempt to

2018 World Agility Open Selection Australian Team

run each course; their runs will be videoed and forwarded to the Selection Committee for final selection of the team. Scoring for each class will be as per WAO Rules & Regulations using the pentathlon scoring system.

The top applicant/s for each respective height category from across the different venues will automatically be offered a spot on the team. If dogs are tied on points, the results from the first agility class will be used to decide top place. If they do not meet the requirements or decline the invitation, the dog with the second highest score in that height will be invited to fill that position, followed by the next highest scoring dog in that height etc.

The selection committee will determine the second and third positions using the information contained in the application and the results of the Win On trials.

All dogs competing in Win On selection trial must be over 18 months of age.

The selected applicants will be offered the opportunity to compete in both the individual Pentathlon, Biathlon and Game WAO events. The team manager will be responsible for selecting the members for the team event.

Other Important Team Information

Funding

The trip is self-funded. Team members are responsible to pay for their share of expenses including (but not limited to) flight, host dog vet fees, hotel, car hire, event fee, uniform and team operating expenses.

The WAO Selection Committee will assist the team members with ideas for fundraising and sponsorship.

Estimated budget – All figures are estimates and in AU\$

Flight -	\$2000
Host Dog Vet fees -	\$200-\$500
Accommodation -	\$600
Uniform -	\$300
Hire Car -	\$500 (shared)
Team Operating Expenses -	\$650
Event fee -	\$250 per dog
Approx. cost of trip – (not including food)	\$4800

Up Front Costs – (If requested)

2018 World Agility Open Selection Australian Team

Invited team members must submit a \$1000 deposit to secure their position on the team (if requested). This up front cost will only be requested if fundraising doesn't meet the major initial costs. This money will be put toward entry fees, accommodation, hire cars and uniform. There may be expenses where you will be required to use your credit card. **Due 31st November 2018**

Host Dogs

Team members are encouraged to attempt to source their own host dog for the event to ensure they have an animal to run. If you are unable to source your own dog, every effort will be made to source dogs from within the United Kingdom and mainland Europe, for the Australian Team. Any costs associated with the care and travel of the host dog (and possibly owner) will lie with the individual handler.

EVENT	CLASS	DATE	PLACING

2017 World Agility Open Selection Australian Team

About the event:

The World Agility Open Championships (WAO) is an annual international event designed to provide the ultimate in dog agility competition. Showcase the highest level of agility training, human/canine partnership, and athleticism. Enable all dogs, whether pedigreed or not, to compete in an environment that is solely focused on the sport of agility.

The WAO strives to provide jump height divisions where similar types of dogs compete against one another, an excellent competition surface and environment, and several varieties of contests with maximum runs to adequately test teams for all the skill sets necessary to be the best in dog agility.

The WAO is the first international agility event created and managed by agility competitors (Greg Derrett and Monica Percival). It is not run under the auspices of any agility organization.

The official language of the WAO is English.

More information about the World Agility Open Championships can be found at www.worldagilityopen.com
