

# Ermelo – dog walking

---

In the municipality Ermelo there are 5 large ‘off leash area’s” (losloopgebied in Dutch). In these areas your dog is allowed to walk off leash. These off leash areas are located in the forest and heather fields.

Most dog walking area’s are marked with signs that say “ losloopgebied” = dogs off leash allowed. Or “honden aangelijnd” which means keep your dog on a leash.

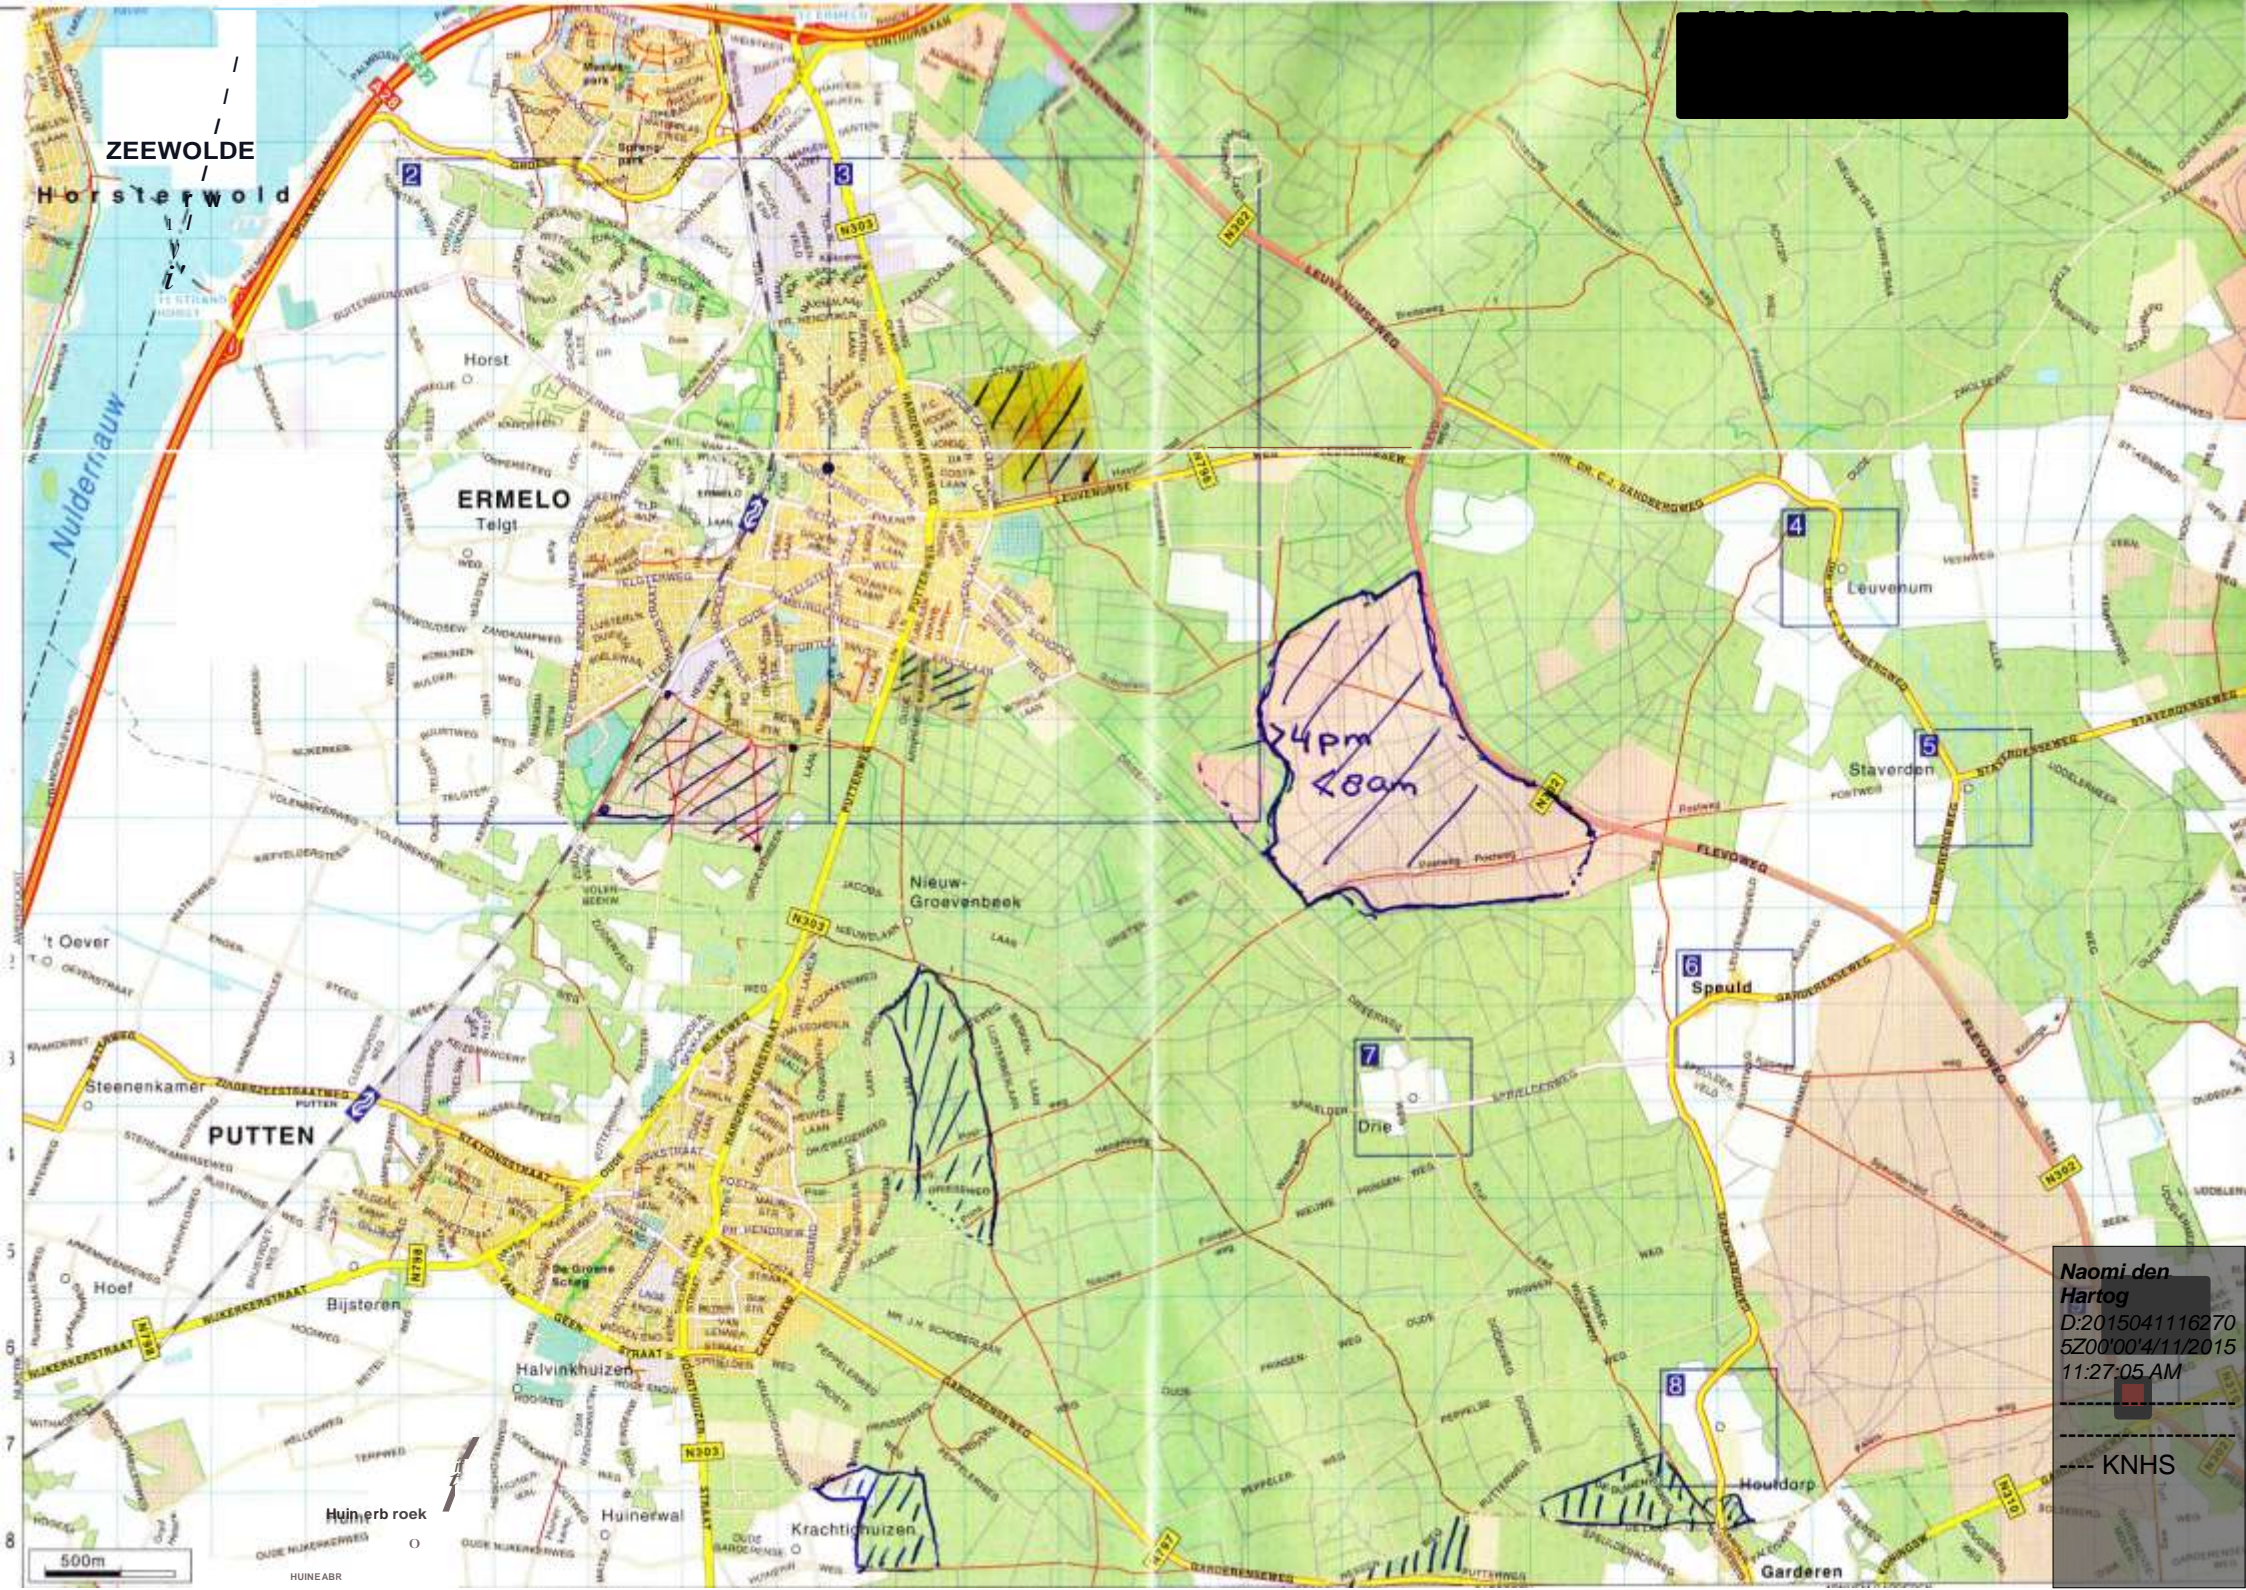

1. Forest area between the Jacob Catslaan, Staringlaan en part of the Leuvenumseweg. (this area is adjacent to hotel Golden Tulip/de Heerlickheijd)
2. Forest area around the jogging course on the Ericalaan—with exception of the children’s playground area’s. (no dog allowed on those fields)
3. Groevenbeekse Heide (Groevenbeekse Heather Fields)
4. Ermelosche Heide- partial before 8am and after 4pm because of the local sheep flock and shepherd.

Every dog owner is expected to have control over his dog. Municipality Ermelo is amidst the National Nature Area “ De Veluwe” which means there is a lot of wild life like deer, wild boars, rabbits etc.

In Ermelo there are also dog walking routes/area’s that are designated for your dog to do ‘it’s business’. These are usually areas situated around bushes and are mechanically cleaned. The routes are spread out in the urban area and clearly marked with signs. Your dog must be on leash in the urban area.

It is prohibited to be on playgrounds with your dogs.
