In addition the team may include one junior handler and dog per each height. Junior handlers are those handlers with a date of birth later than 1st May 2006. **Juniors must be accompanied by a parent/guardian at all times.**

Qualification criteria - WIN ON SPOTS

Each team will enter three rounds of agility and three rounds of jumping over the tryout weekend. Runs with max 5 faults (cannot be time faults) will get points in each round.

Amount of points which the team gets, depends on how many teams they won over in that run.

Agility runs will be weighted with additional 5 points.

To be eligible for the Team Ireland WAO 2025 one of the qualifying runs must be an agility run.

A place in the Team Ireland WAO 2025 will be offered to the first three places in each height which fulfilled the criteria outlined above.

These first 3 places will be entitled to run in Pentathlon, Biathlon and Games at WAO.

Example

Rex is running in height 600, there are 17 dogs competing in total.

Rex had a clean run in jumping1 and won first place. Rex is getting 16 points from this run.

Rex is eliminated in agility1 so he is getting 0 points from this run.

Rex was 3rd in jumping2 but had 10 faults. He is getting 0 points from this run.

Rex won agility2 with a clean run. He is getting 16 points + 5 points because it is an agility run.

Rex was 5th in jumping3 but had 3.12 time faults, he is getting 0 points from this run.

Rex was 3rd agility3 with a clean run. He is getting 14 points + 5 points.

Rex has in total 46 points.

If there are available places remaining after tryouts, team management reserves the right to pick teams to fill up these places. Teams will be assessed on their performance at the Tryouts and their progress during the year 2024/2025 on competitions. If you would like to be considered for selection, send unedited videos of your performance on competitions during the year to roiwaoteam@gmail.com

The selectors will be looking for people who can demonstrate that they have the skills and ability to handle challenging international style courses and dogs who are trained to this high standard. Team selection will be carried out by the team manager **Petra Listopadova** and selector **Frieda Baragwanath**.

Team will be announced after Tryouts.

The following skills will be taken into account when reviewing your performance at the Tryouts:

Your start line – were you able to lead out with confidence, having placed your dog a reasonable distance from the first jump, and your dog staying where it was left?

Were you able to handle weaves from either side and handle weave entries and exits efficiently?

Knowing every obstacle including spread jumps, tyre, wall and long jump from multiple handling options.

*Were your dog's contact performances fast and consistent?
Were you able to go clear within the Course time?
Are you confident handling Obstacle Discriminations?*

Please state on the [Entry form](#) anything you would like us to take into account.
All rounds on Tryouts will be video recorded to assist the selection process.

Any team interested in being selected for the **Team Ireland WAO 2025** is strongly encouraged to attend the Tryouts.

In exceptional circumstances where a handler and dog are unable to attend the Tryout Competition, the selectors reserve the right to offer a place to the handler and dog at a later stage. These circumstances include, but are not limited to, dog or handler injury, bitches in heat and other. Any handler in these circumstances must submit an entry to the Tryout Competition stating why they should be considered for selection.

Handlers who have not attended the Tryouts may be required to attend a Skills Test Session at a later date before they will be considered for the Team Ireland WAO 2025. Management reserves the right to select travelling and non-travelling reserves.

JUNIOR WIN ON SPOT

Five Junior places are available on the Team Ireland WAO 2025, one for each height. The highest placed junior will win on to the team, with the same criteria applying as for adult win-on spots. At WAO juniors compete against adults on the same courses and our tryout competition will be run in the same way. In the event that no junior competitors meet the criteria for the win on spot, the team management reserves the right pick teams by themselves.

Juniors must be accompanied by a parent/guardian at all times.
